## TOWN WARRANT

---

THE STATE OF NEW HAMPSHIRE.

[L. S.]

*To the Inhabitants of the Town of Goffstown, in the County of Hillsborough, and in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at the Town House, in said Town on Tuesday, the eleventh day of March next, at ten o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary officers and agents for the ensuing year, including a member of the Board of Selectmen to serve three years; also to bring in your votes for Delegates to the National Convention of the Republican and Democratic parties to be held in June, 1924.
2. To see how much money the Town will vote to raise for the Goffstown Public Library.
3. To see if the Town will vote to raise and appropriate the sum of four thousand dollars, as recommended by the State Highway Commission, for the maintenance of our State aid roads, the State to furnish an equal sum.
4. To see what sum of money the Town will vote to raise for improvements in cemeteries.
5. To see what sum of money the Town will vote to raise for improvements at Barnard Playground.

6. To see if the Town will vote to purchase a piano for use in the Town Hall and raise and appropriate money for the same. This article is inserted by petition of Robert M. Gordon and ten others.

7. To see if the Town will vote to buy a Ford Truck to use at small fires, and raise and appropriate money for the same, agreeable to the petition of Peter W. Pattee and thirteen others.

8. To see if the Town will vote to buy five hundred feet of fire hose and raise and appropriate money for the same. This article is agreeable to the petition of Peter W. Pattee and thirteen others.

9. To see if the Town will vote to purchase and install some suitable device for holding the flags upon the graves of her deceased soldiers. This article is inserted by the request of Byron D. Brown and others.

10. To raise and appropriate such sums of money as may be necessary for the maintenance of the poor, for the repairs of highways and bridges, for Memorial Day, and other legitimate town expenses for the ensuing year.

11. To see if the Town will vote to raise and appropriate the sum of three hundred dollars for the suppression of the White Pine Blister Rust.

12. To see what action the Town will take toward the purchase of a Town team, consisting of a pair of horses and the necessary equipment to go with them, and to raise and appropriate money for the purchase and maintenance of the same. This article is agreeable to the petition of Louis O. Prince and nine others.

13. To see what action the Town will take relative to the construction of a sewer system, and raise and appropriate money for the same.

14. To see how much money the Town will vote to raise for addition to the sewer fund.

15. To see if the Town will vote to authorize the Selectmen to convey to Maud S. Welch, by a good and sufficient deed, the premises at Grasmere known as Albert G. Greer premises, in accordance with an agreement made and concluded August 31, 1923, by and between the Selectmen of Goffstown and the said Maud S. Welch.

16. To see if the Town will authorize the Selectmen to contract with the U. S. Bobbin and Shuttle Company in reference to flowage rights of certain land deeded to the Town of Goffstown by Isadore Johnson and others that may be affected by the raising of said company's dam and the level of the water in the Piscataquog River, and in the name of said Town to deed said flowage rights and such portion of said land as said Selectmen may deem expedient, for such price as they may deem right and proper.

17. To see if the Town will vote to purchase and install traffic signals at the corner by Parker Brothers' store and at the junction of Pinard and Mast Streets, Pinardville, and raise and appropriate money for the same.

18. To see what action the Town will take relative to the pay of its Town officials.

19. To hear the reports of agents, auditors and committees and pass any vote relating thereto.

20. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 23d day of February, 1924.

GEORGE L. EATON,  
J. H. WETHERBEE,  
LUCIAN W. BARTLETT,  
*Selectmen of Goffstown.*

Attest:

GEORGE L. EATON,  
J. H. WETHERBEE,  
LUCIAN W. BARTLETT,  
*Selectmen of Goffstown.*

REPORT OF THE  
GOFFSTOWN VILLAGE FIRE PRECINCT.

---

Fire Wardens

and

Water Commissioners

## REPORT OF THE FIRE WARDENS OF THE GOFFSTOWN VILLAGE FIRE PRECINCT.

For year ending February 1, 1924.

Another year has passed, and again we have cause to be thankful for being so fortunate in escaping the ravages of fire.

As we look over our papers and note the terrible disaster which Canaan, Littleton and Lyndonville, Vt., suffered from this great menace, each and every one of us, should thank God that our town has been so fortunate in the past and all of us live in hopes that we may never be called upon to suffer a like fate.

Now, ladies and gentlemen, we are all human, and therefore liable to make some mistakes, but please rest assured that our Fire Department will do all within its power for you should our services be needed.

We have attended to the following fires:

Chimney Fires—Mt. Pleasant House, G. E. Flanders, Wm. McElroy, Dr. George, Will Richards and Frank Quincy.

Out-of-Town Calls—Brush fires: Dow land, Phelps land, East Goffstown.

Respectfully submitted,

P. W. PATTEE, *Chief*,  
W. A. PAIGE, *Clerk and Treas.*,  
H. J. RICHARDS,  
H. M. SMITH,  
W. S. HARRINGTON,

*Fire Wardens.*

GEORGE L. EATON,

*Auditor.*

Goffstown, N. H., Feb. 11, 1924.

The precinct debt now stands \$41,000 in bonds and a note for \$7500.

## REPORT OF TOWN HISTORY COMMITTEE.

The Town History Committee would submit the following report:

After a delay of fifteen years the Committee have delivered the History to the Town. The work has been delayed beyond all expectations: no doubt a disappointment to townspeople as well as the Committee. The amount of labor involved and time consumed in matters of detail—especially appertaining to the Genealogical record, together with a long and wearisome delay by the publishing house are the chief causes for the same.

The committee now offer the two volumes of 1200 pages at the low price of \$6 or \$6.75 delivered by mail in any part of the United States, believing that by fixing the price at that low figure the work would be in the homes of more citizens of the town and people generally than if placed before the public at a higher price.

It is the hope of the committee that the work will meet with a charitable reception with the townspeople and find a place in their homes; realizing that as time goes on the record of the past grows dimmer each year unless permanently recorded.

The committee wish to extend their thanks to all who have aided the author in the completion of the work and now as they commit the same to the people of the town hope it will find an appropriate place in their homes and in public libraries with other histories of New Hampshire.

GEORGE P. HADLEY,  
FRANK A. PARKER,  
EDWIN FLANDERS,  
ROBERT M. GORDON,

*History Committee.*

## BARNARD PLAYGROUND COMMITTEE REPORT.

(Signed) GEORGE HAMBLETON,  
CHARLES A. LITTLE,  
FRANK N. SIMONS,

February 12, 1924.

*Committee.*

## REPORT OF BOARD OF HEALTH.

In spite of the alarm caused by the closing of our village school recently and the exaggerated reports of the number of cases of scarlet fever in town, there have been fewer cases of contagious diseases than the average for five years past. We wish to commend the work of the school nurse; this is a branch of the health program that should receive the hearty support of every citizen. Our suggestions as to the removal of nuisances have very generally met with prompt action. We wish to particularly call attention to the offense of parties who throw dead animals into the river, without weighting them down so they will sink. They float down to the various reservoirs where they lodge on the banks of the streams, and putrifying, cause much discomfort to those living nearby. Dead hens have been the cause of many complaints to the health officer the past year. Do not throw them on the ice.

We hope that action will be taken at the coming March town meeting toward building a sewer for the West village, a much needed improvement.

Children entering school must be vaccinated, this law is imperative. Better have it thoroughly done in warm weather.

Total number of contagious diseases reported, 15.

ROBERT M. GORDON,  
*Health Officer.*

## REPORT OF LIBRARY TRUSTEES

The Trustees of the Library present the following report. They have held four meetings during the year to discuss the work and management.

In the near future bronze railings will be placed at the entrance.

Many valuable non-fiction books have been added to the shelves and it is hoped that the library patrons will appreciate the opportunity to read worthwhile books so that the Board may feel justified in adding others.

The children's department has been greatly increased. A goodly number of the little people are using the library.

Good books are our best friends; therefore, let us cultivate their acquaintance.

Respectfully submitted,

MARY A. WARREN, *Chairman*,  
BESSIE B. PARKER, *Secretary*,  
W. E. BLAISDELL, *Treasurer*,  
BERTHA P. WAKEFIELD,  
HARRY S. PARKER,  
DR. E. B. SWETT.

*Trustees.*

*Treasurer.*

## REPORT OF CEMETERY TRUSTEES

### REPORT OF WESTLAWN CEMETERY.

The usual work has been done on the lots, and in spite of the dry weather of last summer the cemetery is in good condition. During the coming year your trustees wish to improve the ravine in the West Lawn Cemetery. There will soon be need of more land in this yard as practically all the lots have been sold.

### REPORT OF HILLSIDE CEMETERY.

During the past year, we were able to purchase land adjoining the yard which now gives us ample room for many years. Grading the balance of the yard next to the highway was completed and adds greatly to the appearance of the cemetery. The present wooden fence has long passed its usefulness and with the children at play beside it is impossible to keep the pickets in place. It would seem advisable that the town at this time should take some action, with a view of replacing same with an iron fence.

## REPORT OF TREASURER OF CEMETERIES.

*To the Trustees of Cemeteries:*

Gentlemen—I herewith submit to you the report of cemeteries for the year ending February 1, 1924:

Dr.

Received from—

Former Treasurer .....	\$33.54
Town Appropriation, 1923 .....	500.00
Trustees of invested funds .....	200.00
Sale of lots in Westlawn .....	100.00
Sale of lots in Grasmere .....	40.00
Frank A. Parker, care of lots, Westlawn .....	150.00
Treasurer, care of lots, Westlawn .....	101.00
<hr/>	
	\$1,124.54

Cr.

Paid—

A. M. Jenks & Son .....	\$3.00
For loam .....	10.50
Charles Sumner, labor at yard .....	14.72
Palmer & Garmon .....	110.51
James Shirley, labor at Shirley Hill yard .....	28.00
B. F. Greer, labor and expense at Grasmere ..	336.00
L. H. Hoyt, labor and expense at Westlawn ..	453.65
Treasurer, making deeds and expense .....	6.00
Cash on hand .....	162.16
<hr/>	
	\$1,124.54

Paid in for perpetual care of lots during year .. \$330.00

CHARLES F. WHITE,

*Treasurer of Cemeteries.*

## REPORT OF SUPERINTENDENT OF SCHOOLS

### INDEPENDENT SCHOOL DISTRICT.

*To the School Board and Citizens of the Independent School District:*

In the successful carrying-on of schools the most essential factor after a building is provided is the teaching force. If there is a high percentage of change each year there is bound to be a loss of effectiveness in the school work. This district however, is fortunate in this respect. For the year 1922-'23 there were no changes in the elementary or High School teachers. For the present year the Elementary teachers are again the same. But with the withdrawal of Mr. Reed at the close of the year last June it was necessary to find a successor for the Headmastership. For this work Mr. E. W. Mansur was engaged. Mr. Mansur came direct from Clark University where he graduated in June. To fill the vacancy left by the resignation of Miss Class in the Commercial Department, Miss E. Mildred Scribner, who has previously taught in the state, was secured.

One of the ways to prevent the frequent change of teachers is to keep up with the trend of the salaries of the past few years. When inexperienced Normal graduates can find positions paying \$1,000 waiting for them the first year with annual advances in prospect, the tenure of teachers in schools paying much less is apt to be for short periods. We have at present a splendid, capable, loyal teaching staff. The highest interest of the school requires that we retain them.

The enrollment this year has been such a number of new Moulthrop chair-desks have been added to the Primary room where the enrollment has been about fifty. Also in the High

School it was necessary to find some old seats which could be put in the front of the room in order to take care of the increase of pupils. Not only are there crowded conditions in the rooms but the actual work of the classes is hampered for lack of adequate space. This is especially true in the Commercial Department where the pupils labor under the difficulty of crowded rooms with no particular equipment for the work except a few typewriters. It happens this year that a disproportionately large number of the Freshmen class are taking up the Commercial work. As matters stand there is only one way to remedy this lack of accommodation.

Last May the School Board adopted a new calendar for the present school year 1923-'24. According to the former arrangements nine days were lost from school. These lost days included Labor Day, Columbus Day, two days at Thanksgiving, two days at the beginning of the new year, Washington's Birthday, Fast Day, and Memorial Day. The new calendar saves six of these days for school. This means that every pupil in the town gets six additional days of school without any additional school expense. It also provides more frequent, but not too long vacations, allowing a week at Thanksgiving, two weeks at Christmas, one week the latter part of February, one week at the latter part of April. This calendar, which provides six more days of school, allows frequent vacations, and which ends the school almost at the same time it previously ended, is meeting with favor.

The work of the health supervision has been carried on under the direction of Dr. Luther Dearborn and Mrs. B. E. Barker, the school nurse. Records are kept of the examinations from year to year which indicate the increase in height and weight and to note also what has been done in regard to defects which have been reported to the parents. The work in the main comes under three heads. (1) *Remedial*. There are certain ailments which some may not regard as serious but are of such a nature that they cannot be tolerated where others are in danger. These cases are reported to the

parents or to the family physician, supplemented frequently by calls from the nurse who gives instruction for remedial treatment. (2) The work of *Prevention*. Pupils having severe colds, sore throats, etc., or are suspected of carrying contagious or infectious diseases are excluded from the school until examination shows them fit to return. (3) *Instruction*. The pupils are taught rules and habits of health.

Practically all of the rooms have drills and exercises in which instruction and practise are given as to the proper ways of breathing and standing. Mr. Mansur has introduced these exercises into the High School with most beneficial results.

While the state law has required for sometime that all pupils comply with the vaccination requirements before entering school there has been some laxity in enforcing it. At the present time every pupil in the schools has met the requirements of the state. Hereafter no pupils will be admitted to school until they have complied with the requirement.

During the summer the High School Room was thoroughly cleaned and painted. This included the walls and ceilings of the other rooms on the second floor, as well as the laboratory and commercial room on the third floor. The result was a very decided and much needed improvement.

In November tests in arithmetic and spelling were given to the 8th grade pupils in the state. The arithmetic test was one which was given in 1846 to the pupils in Springfield, Mass. The spelling test, while not consisting of the same words as the Springfield test was made up of words regarded as equally difficult. The table below includes three things, first, the "marks" made by the Springfield pupils in 1846, second, the "marks" made by the 5,000 eighth grade pupils in New Hampshire last November, third, the "marks" made by the eighth grade pupils in the Goffstown Independent School District last fall.

(1) Springfield	1846	Arithmetic	29	Spelling	40
(2) New Hampshire	1923	"	49	"	67
(3) Independent Dist.	1923	"	40	"	69

The younger pupils have had countless hours of most enjoyable exercise as the result of "The Slide" which was given by the members of the Y. L. D. Club. There is no lack of appreciation of the part of the children or the school authorities. There is a demand for more playground apparatus which some of the boys last fall themselves suggested making.

The table which follows and the attendance records are for the school year ending in June 1923.

For the teachers and the School Board and myself as well, we express the common desire that a larger number of parents and friends visit the schools. No claim is made that the schools here are the best to be found in the state or anywhere else. But we do say that the teachers are giving daily their best thought and effort. This accounts for the fact that this district does have good schools. If parents will express a personal interest by coming to see their children at work, where these are, what they are doing, what they are given to do with, and how their work is directed, it will mean first hand information concerning, and a neighborly interest in this institution which works quietly five days of the week for thirty-six weeks of the year.

Respectfully submitted,

J. BYRON TARNEY.

FRANK A. PARKER,

*Auditor.*

## REPORT OF SUPERINTENDENT OF SCHOOLS

### GOFFSTOWN TOWN DISTRICT.

*To the School Board and Citizens of Goffstown Town School District:*

During the present school year, schools have been in session in six different buildings—Paige Hill, East Part, Parkers, Shirley Hill, Grasmere, primary and grammar rooms. The Bartlett School, with the primary, grammar and intermediate rooms. Of the nine teachers, two are teaching for the first time in Goffstown, Miss Katherine McLain is in charge of the Grammar room at Grasmere, and Miss Alice Martin at East Part. Mrs. Sherman Bartlett has had charge of the music.

A revised calendar for the year 1923-24 was adopted by the school board last May. The reason for the change was that the schedule previously followed allowed from eight to ten days to be lost. These lost days were Labor Day, two days at Thanksgiving, two days at the beginning of the New Year, Washington's Birthday, Fast Day, and Memorial Day. By this change six of these days have been saved as school days. This means that each pupil has an additional six days of school with no additional school expense. The plan allows a week vacation at Thanksgiving and two weeks at Christmas. The remaining twenty-one weeks of school are divided into three seven-weeks terms, allowing a week's vacation the last of February and another week at April. The plan gives six more days of school and provides for frequent, but not too long vacations, and is meeting with favor.

It should be of interest to note the number of pupils from the Town who are attending High School. At present there are sixteen attending Goffstown High.

Robert Donahue	Stewart Lovell
Harry Gage	Virginia Lovell
Ruth George	Sophronia Ordway
Arthur Grant	Ruth Porrit
Mabel Hall	Phyllis Sanders
Mildred Hall	George Stevens
Madolyn Johnson	Ruth Stevens
Ruby Lakeman	Douglas Swett

There are eleven attending the High School in Manchester.	
Louise Mace	Albert Morency
Gladys Tirrell	John Theall
Laurence Shirley	Louise Tessier
Vera Connor	Michael Walkieu
Charles Perreault	Katherine Alger
Sara Tarr	

This makes a total of twenty-seven. For each one of these, excepting four, the Town School District pays \$70.00 per year. This will explain the apparently large item called for in the budget of \$2,000 for High School tuition. The Manchester tuition rates have been increased from \$57 to \$133 per year. The Town District by law is allowed to pay but \$70. The balance of \$63 must be paid by parents. As the tuition for Goffstown High is but \$70 per year the Town can pay the full amount.

Health supervision has been carried on under the direction of Dr. Luther Dearborn and Mrs. B. E. Barker, school nurse. Records of examinations have been kept from year to year. In this way growth in height and weight are noted, also defects such as bad teeth, tonsils, and adenoids. The work may be regarded as coming under three heads. (1) *Remedial*. Every year certain troubles develop which one time were considered as purely personal or a family affair but which cannot be tolerated in schools where the welfare of others is

endangered. Such cases are referred to the family doctor or the home is visited by the nurse who gives instruction in remedial measures. (2) *Prevention.* Pupils suffering from severe colds or sore throat or those suspected of carrying contagious or infectious diseases are excluded from schools. (3) *Educational.* Instruction is given from the laws and habits of health.

The amount which has been allowed for this work is not sufficient to give the supervision necessary. Without home calls the work loses much in effectiveness.

The state law demands that all pupils comply with the Vaccination requirements before entering school. In the past there has been some laxity in enforcing this. But hereafter the law will be strictly adhered to and pupils not having met requirements will be excluded from school until they have.

During the summer considerable expenditure was made in renovating the East Part School building. Additional windows were put in, walls repaired, painting was done, shelves for books were made. This building is very old and most unfortunately located. However, the changes made this year have improved the conditions somewhat.

Last November, tests in Arithmetic and Spelling were given to all eighth grade pupils in the state. The Arithmetic test was one which was given in Springfield, Mass., in 1846. The Spelling test was regarded as equal and difficult to that given in Springfield that same year. The "Marks" made by the Springfield pupils were known. The following statement will indicate:

- (1) The "Marks" of the 1846 pupils
- (2) The average for the 5,000 eighth grade pupils in New Hampshire in November 1923.
- (3) The "Marks" for the 11 pupils for the Goffstown School District.

		Arithmetic	Spelling
Springfield	1846	29%	40%
New Hampshire	1923	49%	67%
Goffstown Town	1923	51%	68%

The Springfield group in 1846 averaged 15 yrs. 6 mos. The 5,000 eighth-graders in New Hampshire in 1923 averaged 13 yrs. 6 mos.

But little time has been lost during the present year on account of stormy weather. The practice of closing schools on bad days is not one to be encouraged. If it is at all possible for the teacher to reach the school building, it is best to go on with the school session. If children cannot attend, or parents do not feel it wise, they may keep the children out. But to close school entirely means a day lost, one which will not be made up. And even when school is called off for the day, it is a frequent occurrence that some pupil or pupils arrive because word has not been received. The better practice is to hold close to schedule, saving every day, unless weather or storm positively prohibits.

I am glad to express my appreciation of the finest co-operation of the School Board and Teachers, for without this but little can be accomplished.

Respectfully submitted,  
 J. BYRON TARNEY,  
*Superintendent of Schools.*

## REPORT OF SCHOOL BOARD

### GOFFSTOWN TOWN DISTRICT.

We hereby submit the seventy-third annual report of the Town Schools, the forty-third of the School Board and the fifth under professional supervision, covering the fiscal year ending June 30, 1923.

By invitation of the New Boston School Board the annual meeting of the Supervisory Union was held in that village on the evening of May 16, when Mr. J. Byron Tarney was unanimously re-elected superintendent for the ensuing year.

Graduation exercises were held in the Town Hall at Grasmere on the afternoon of June 7, when a class of nine received diplomas. This class comprised one from Shirley Hill, one from Parker's, two from Paige Hill, five from Grasmere. On the evening of June 8th, another class of six were given diplomas at the Bartlett School.

We wish to thank the Selectmen for favors received and to commend the superintendent and teachers for their work during the year.

For information relating to the condition of our schools we refer to the reports of the Superintendent, Truant Officer and Treasurer.

The annual school meeting of the District will be held in the schoolhouse at Grasmere on Saturday afternoon, March 15, at two o'clock.

FINANCIAL REPORT OF THE TOWN DISTRICT  
SCHOOL BOARD.

Required annual report of School Board to District stating amount of money needed for support of schools and for statutory requirements (see School Laws, Codified 1921) for year ending June 30, 1925.

Amount of money required by law (\$3.50 on each \$1,000.00 of inventory) :

Administration :

Salaries of District Officers .....	\$250.00
Superintendent's excess salary .....	300.00
Truant Officer and school census .....	50.00
Expenses of administration .....	50.00

Instruction :

Teachers' salaries .....	7,600.00
Text books .....	250.00
Scholars' supplies .....	250.00
Flags and appurtenances .....	10.00
Other expenses of instruction .....	50.00

Operation and Maintenance of School Plant :

Janitor service .....	475.00
Fuel .....	1,000.00
Water, light and janitor's supplies .....	200.00
Minor repairs and expenses .....	150.00

Auxiliary Agencies and Special Activities :

Medical inspection .....	250.00
Transportation of pupils .....	2,000.00
High School and academy tuition .....	2,000.00
Elementary school tuition .....	300.00

## Fixed Charges:

Insurance .....	\$288.00
-----------------	----------

## Outlay for Construction and Equipment:

Alteration of old buildings .....	150.00
New equipment .....	50.00

## Debt, Interest and other Charges:

Payment of principal of debt .....	3,000.00
Payment of interest on debt .....	1,550.00
Payment of per capita tax .....	444.00
	_____
	\$20,667.00

GEORGE E. WHITNEY,  
 F. ARTHUR BARTLETT,  
 ROSAMOND WELLS,  
*School Board,*
